> The Herald's correspondent says; Fully a week before Gen. Wilson received the proclamaion of President Johnson effering a reward for the capture of Davis and others he had sent scouts in all directions and took every precaution to pre clude the possibility of any fugitives escaping who | lands, were in range of the cavalry. He soon gained information that the escort had been at Wash ngton, Ga., and immediately sent forces in all lirec ions to picket the ferries on the Ocmulgee and Fint rivers and also the cross rords leading SODA thereto Col. Pritchard left Macon at 8 o'clock on the 7th with orders to push forward, by forced marches, until one hundred miles down the Ocmulgee and from twenty-five to fifty miles be vond our outposts and take possession of the river, and to throw scouts on the opposite side of the river to aspertian the approach or passage of parties from R chmond. He had special direc-

tions to look out for Jeff Davis and cortege. Col Pritchard marched all night the 7th and went into camp at 8 o'clock a m. on the 8th, being thirty six miles from the place of start ing. At 10 o'clock, he again set out in the pur suit; he arrived at Hawkinsville at 6 o'clock. here he found a detail of officers and twentyfive men guarding him, and the citizens had gathered together and threatened to mob the soldiers; Col Pritchard rode up to the mob and told them if they harmed the soldiers in any way after he left he would return and burn the town; this had the desired effect as the mob dispersed immediately.

After sending the courier back with dispatches to Col. Mirity, he pushed on three miles further and went into camp. At suprise the next morning the cavalcade was again on the march in the direction of Abbevville, which point they reached | Policies. about three o'clock in the afternoon. Here they met a detachment of the 1st Wisconsin under its | Capital, Lieutenant Colonel. They learned from him as well as citizens that a train answering the description had crossed the Ocmulgee at Bonn's Ferry at midnight. The train had left Abbeyville at 4 o'clock the same morning, moving in

the direction of Irvinsville. A detachment of the First Wisconsin follow ed in one direction, and Col. Pritchard deter- A. E. VINTON, mined to take a picked force of mounted men of his command, gave chase in another direction. Accordingly, he selected seven officers and 128 of Penn-ylvania street and Virginia avenue.

men, leaving the remainder of the regiment,

Wm. HENDERSON, President. about three hundred strong, under Capt Hathaway to guard the ferries and the country north ing the detachment moved, going down Oco-mulgee river. They took the Blind Woods road towards Irwinville, where they arrived at two o'clock on the morning of the 10th. They pass

ed themselves off for rebels and inquired for the train, describing it as near as possible. Colonel Pritchard immediately made preparations for the capture, pressing a negro for a guide. When a mile and half from the camp be halted under cover of an eminence, dismounted Lieutenant Preston, to go in rear of the camp, and prevent escape in that direction. At daylight Colonel Pritchard moved on the camp. No alarm was given until the advance guard, under Captain Hudson, were within a few rods, all being folded in the arms of Morpheus. A dash was NEW YORK, May 21 - The Herald's correst the Conduct of the War, and that be never re. | immediately made and the entire party surround

As the advance guard of the First Wisconsin detachment, under the command of a sergeant, were coming down an oblique road, they were challenged by Lieut Piminton. Supposing them rebels, going to rescue Davis and party, the sergeant did not give a reply, but fell back to the main body. Piminton ordered his men to fire, there appeared at the tent door an ostensible old ago, and he then made his report under a full which they did. The First Wisconsin dismounted, formed in line, advanced and the fight commenced in earnest, and lasted until Col Pritchard go to the spring for some water to wash," said fused to recognize the rebel State authorities came up and halloed, "Who are you?" "The First Wisconsin," was the reply, and he immedimother wears a very big boot, "said the guard, as he received an order of Gen. Weitzel, issued ately ordered the firing to cease. This unfor tunate occurrence resulted in the death of Corporal James Hines, of Co. E. Fourth Michi and whiskers, too, as he pulled the hood from He then notified Johnson he would pursue the gan, and Private Rupert, Co. E. Fourth Michi gan; Lieut. Borel, same company, severely and several others slightly wounded. Neither of the others are blamable, as it was very dark, and each supposed they were firing upon rebels DAVIS AND PARTY AT PORT BOYAL

The Times' Port Royal special describes the arrival of Davis and party at that point as the boat approached: A tall spare man, dressed in grev, having a de pressed look; his whiskers and moustach rather closely cut and almost white, was walking along the cabin deck and bulworks, and stopped for a moment to caress a little girls, very indifferently dressed, and then passed in at the gangway door, these were Jeff. Davis and daughter; he has evidently passed through great trials during the past four years; a few minutes later he seated himself in the corner of the cabin. his plain looking lady, dressed in black by his side; they were engaged in perusing a newspaper street to 77 South Meridian street. wich was brought to them; his hat was pulled pretty well over his eves, so that only when he ifted his head the expression of his face could be discovered. Two of his children, a boy and a girl, looking to be about four and seven years of age respectively, were running about everywhere on the steamer.

Davis, Stephens, Reagan, and others seemed to have a proper appreciation of the position i which they were standing. Davis himself asserted that he had no idea that anything beyond banishment would be his lot. Stephens thought The Nevy Department this a m received a the proper way to start civil government again The Post's Washington special says General the 7-30 loan on Saturday, amounted to \$1 916 - communication from Acting Rear Admiral would be to institute measures for the repeal of Bank! has not been removed; whether he will be 350 The largest western subscriptions were Thatcher, under date May 6th, off Mobile, in the ordinances of secession, and by that means the vicinity of the city, where they can have all or not depend on whether the President thinks | \$200,000 from the Second National Bank, St | which he says: I have the honor to inform the restore our original plans. THE Company holds by lease, and in fee, about twenty thousand acres of the most select coal lands in Western Indiana, bordering both sides of the Wabash river. Maps of these lands may be seen at the office of the Company, in Covington, and, at the office of Wm. Dale, No. 25 Park Place, N Y. City, at the office of

State, abounding also in salt, fron and other valuable mineral substa ces.

Near be mouth of Coal Creek, where the Company has large quantities of lands salt water has been di-covered cured some 35 years ago by bong, soon after, the On-ondags salt finding its way down the Wabash and Krie Canal Mr. Thomas, the propretor, finding himself un-able to compete with it, abandaned the manufacture. In

able to compete with it, abandaned the manufacture. In his boring he encountered that which recently disclosed facts prove to have been coal oil.

Those lands all ife in close prox mity to the Wabash and Krie Canal, some of them upon its banks.

Mr. John McManomy, the business agent of the company, Las returned from a tour of observation of the oil the rebellion, and also on the charge of high regions of Pennsylvania, convinced that the lands leased by the company, in Fountain and Parke counties, bas, so f.r as the gen ral formation of the country and the has been procured, are strongly marked in various lo-cal ties of the lands of the Company affording every rational prospect of success. The company thinks it us necessary to make any other reference to the character of the lands, other than the report and map referred to
